

## **Directions to Harlaxton Manor**

From Nottingham take the A52 towards Grantham. At the A1 turn right to travel south towards London. Take the first exit from the A1 signed Grantham and Leicester and at the end of the slip road turn right towards Leicester. Go along to the crossroads at the centre of Harlaxton village. (The Gregory Arms pub is on the right hand side at the crossroads and the formal entrance to Harlaxton Manor, which is closed, is just before the crossroads on the left).

At the crossroads turn left, continue up that road and turn left at the obelisk. Continue and take the next left, which is Manor Drive (if you reach the Health Centre you have gone too far). After a very short distance on Manor Drive turn right (there is a small housing development on the left). Go past the village cricket and bowls club on the right and continue into the Manor grounds. Follow the drive up towards the house going through a large gatehouse and about 100 yards later fork left on a road that loops round to the side of the house. Go through another gatehouse and park in the gravel area to unload.

The door to the house is up a ramp towards the corner of the parking area.

Registration is just off the reception area.
