Tony Farrell

Tony Farrell brings to the table over 25 years as Leader, and founder, of “The Tony Farrell Big Band” providing live music for listening and dancing. A lover of most things Jazz and Swing, he welcomes the opportunity to educate and promote this great music to those just discovering it for the first time.

Tony has been involved with education for a long period of time, both teaching privately and being invited to work with the Brassery and Brass Roots (that was), George Spencer Academy and Toot Hill Academy where he currently runs the Big Band and Jazz Combo.
